.....

Being a major/minor* of sound body and mind, do hereby, on behalf of myself, my executors, assigns, heirs and dependants, indemnify and hold harmless **Eulalie Hunting Safaris**, its officers and employees, against liability to me or my dependants for any damage that might arise out of loss of life or bodily injuries suffered by me, due to any accident or cause which may occur during or as a result of my visit to any area, or participation in Trophy hunting or Wing shooting.

I hereby acknowledge that I am aware of the fact that there are dangerous animals, reptiles, insects and plants in game parks and on farms, and that the handling of firearms can be dangerous.

My visit to any reserve or farm and/or my participation in Trophy Hunting and/or Wing shooting, are entirely at my own free will and at my own risk.

I agree to abide by the decision of my Professional Hunter to take down with his rifle any trophy that I have shot at, as well as any animal not shot at; if in his discretion, this animal holds a threat to human life, or needs to be put out of misery.

I agree to pay all costs in full, that are incurred, before termination of the hunt, which may arise from my Professional Hunter taking down such wounded or life-threatening animals.

I also agree that photographs taken during the safari may be used for promotion and/or publicity purposes by **Eulalie Hunting Safaris**.

This indemnity is binding to the laws of the country of the client, as well as the country of the outfitter.
